Saksham Sharma

An Aspiring Developer

Greetings! I'm **Saksham Sharma**, an ambitious **Software Engineer** in the making and a **passionate technology enthusiast**. With a **strong foundation in Computer Science** and a keen interest in **innovation**, I thrive on solving complex problems through **logical reasoning & creativity**.

Adaptability & Dynamism are at the core of my approach—I learn new concepts rapidly and embrace **continuous improvement**, just as a constructor initializes a model and a discriminator refines it. I actively seek **constructive feedback**, ensuring that every challenge becomes an opportunity for growth. My **insatiable curiosity** drives me to **explore** cutting-edge technologies and contribute to meaningful **advancements** in **CS**.

EDUCATION

High School

Madhyabindu Multiple Campus / Kawasoti / August, 2022 - June, 2024

- Science Stream | 3.43 GPA
- Outstanding Level of Performance in English & Computer Science

Bachelor in Information Technology

Patan Multiple Campus | TU / Lalitpur / October, 2024 - Present

I am currently gathering **advanced knowledge** & **Honing** my **skills** in the followings:

- **Advanced Programming Concepts**
- **Data Structures & Algorithms**
- **Computer Fundamentals**
- **Software Engineering**
- **Web Development**
- **Software Project Management**

ACHIEVEMENTS

○ **Excellent Academics**

- **Completed High School [Science Stream] with Flying Colors**

○ **Programming Foundation**

I have a robust foundation in programming, logics & problem solving. Languages in my domain are:

- **C & C++ [OOP , DSA , Industry Level Certified]**
- **Python [Industry Level Certified]**
- **HTML 5 & CSS 3**
- **Dart [learning]**

EXPERIENCE

○ **Freelance Frontend Developer**

Fiverr / Kathmandu / May, 2024 - January, 2025

- **Developing Interactive & Responsive Websites for the clients**
- **Gained Practical & Industry level Experience**
- **Gathered 300+ Hours of experience**

SKILLS

- Communication - Expert
- Programming Fundamental - Skillful
- Logics and Reasoning - Experienced
- Problem Solving & Decision-Making - Skillful
- Project Management: - Skillful

LANGUAGE

TRAINING/CERTIFICATIONS

Python Developer
Sololearn / 2024
Successfully Completed the course by demonstrating theoretical & practical understanding of Python.

Programming with Python Professional Certificate
Python Institute & LinkedIn / 2025

- **Gained Practical & Core understanding of Python**
- **Object Oriented Programming**
- **Advanced Python Concepts & Techniques**

Career Essentials in Software Development
Microsoft & LinkedIn / 2025
This is a comprehensive course in the field of Industry-Level Software Development & it helped understand the thorough process of SDLC in detail.

Career Essentials in Generative AI
Microsoft & LinkedIn / 2024
This course helped me develop a vivid understanding of the following topics:

- **AI Model & their Types**
- **How Generative AI Functions**
- **AI Model Development**
- **AI Model Training Techniques**
- **AI Model Learning Algorithms**
- **Implementation of AI in Business**

C++ Programming Professional Certificate
OpenEDG C++ Institute / 2025

- **Practical & Core understanding of C++ 20**
- **Object Oriented Programming**
- **Logical Problem Solving**
- **Optimized Coding   [Clean code , Coding Standards, Readability , Maintainability]**

PROJECTS

Python Projects

NumGuessers.IO
A number guessing fun game with multiple modes and scoring system made using the advanced concepts of OOP &
